

Get going with Cloud Library on eReaders

Step 1

On your computer, find the Cloud Library App at <http://ebook.3m.com/>. Choose the correct app (PC or Mac) from the links on the left side of the page, click *Download App*, and follow the instructions to install.

Step 2

Enter MN as your state, Washington County Public Library, and enter your library card number and PIN. Your WCL PIN is the last four digits of your phone number. Check the box to agree to the legal terms and click the *Login* button.

Step 3

At the Activation window, you provide information to activate your account to work with your eReader. Your eReader and the computer must have the same activation information.

If you already have Adobe Digital Editions on your computer (ex. to read OverDrive eBooks), you **MUST** *Explicitly provide* the same Adobe ID Name and Password. You may only have one Adobe ID authorized on a computer at one time.

Otherwise, you can select *Automatically generate ID for Cloud Library*.

Step 4

Open the Cloud Library App on your computer. Browse eBooks or simply do a search. Click on a title you want to check out. Click *Borrow*.

If the book is not available, click *Add to Hold List* to get the next available copy.

Step 5

After you check out a book, you will be taken to *My Books*.

Plug your eReader into the computer to transfer book to the eReader. Complete the transfer by clicking *Transfer to Device* on the book cover.

To Return Books Early

Open the Cloud Library App on your computer.

Click on *My Books*, then click the *List View* button in the upper right corner.

Click the *Return* button next to the book you wish to return.
